Before no distance alpha beta gamma.
After no distance alpha beta gamma delta epsilon zeta eta theta.

No distance frame alpha beta gamma delta.

All distance frame alpha beta gamma delta.

Before all distance alpha beta gamma.
After all distance alpha beta gamma delta epsilon zeta eta theta.

Before horizontal distance alpha beta gamma.

Horizontal distance frame alpha beta gamma delta.

After horizontal distance alpha beta gamma delta epsilon zeta eta theta.

Vertical distance frame alpha beta gamma delta.

Before vertical distance alpha beta gamma. After vertical distance alpha beta gamma delta epsilon zeta eta theta.

Combined distance frame alpha beta gamma delta.

Before combined distance alpha beta gamma.
After combined distance alpha beta gamma delta epsilon zeta eta theta.

Before negative distance alpha beta gamma.

Negative distance frame alpha beta gamma delta.

After negative distance alpha beta gamma delta epsilon zeta eta theta.
